

Makers of Fine Custom Cabinets Since 1947.

CRYSTAL CABINET WORKS

MAKERS OF FINE CUSTOM CABINETS SINCE 1947.

Since 1947, we have been a family-owned, custom cabinet manufacturer located in central Minnesota. We are recognized for the exceptional value we build into every cabinet.

Our strength lies in our extended family of true craftspeople. We take great pride in the hard-working, knowledgeable people who have learned the cabinet trade over more than seven decades and continue to proudly pass the craft on to future generations.

TAKE YOUR CABINETS TO THE NEXT LEVEL.

Crystal is a full custom cabinet manufacturer with capability to produce many different styles, from Contemporary to Old World, French, English and American Classics.

The ultimate in design flexibility and customization in framed or frameless construction. Keyline and Encore product series allow you to choose from the finest selection of beautiful design details and cabinet accessories.

To take your cabinets to the next level, we can custom match your favorite finish, create a custom door, build special accessories and cabinetry, just for you.

QUALITY & CRAFTSMANSHIP

When you choose Crystal Cabinets, two things stand out: the beautiful, resilient finish and the detailed, solid construction of every cabinet.

We take great care applying our paints and stains to create a rich, smooth and durable finish. Our exclusive finishes have been developed and perfected over many years resulting in a luxurious, furniture-quality finish you can see and feel.

QUALITY IS AN INVESTMENT.

Crafted by skilled custom cabinetmakers, our proven construction methods, and innovative manufacturing techniques result in durable, quality, American-made cabinets, that will stand the test of time.

Cutting-edge equipment in combination with reliable tools of the trade, ensure that each cabinet is built with the utmost quality to your desired specification. You'll experience the integrity of our work every time you open your cabinet doors and drawers.

We are so confident in our craftsmanship, materials, construction and finishes, that we stand behind our products with a Limited Lifetime Warranty.
